## Halloween Party Puzzle

- Dracula did not go out on Friday.
- The person that got the candy was out of town on Monday -Thursday.
- The Witch already had 3 extra brooms, so she didn't need to pick up another.
- The person who got the pumpkin was not Dracula.
- The Mummy went out on either Friday or Saturday.
- The person that got the broom was with Dracula Friday.
- The pumpkin was purchased on Saturday.
- The Witch was busy at a witch's convention on Thursday and Friday.
- The Zombie was able to go to see a movie with the witch on Monday afternoon because he bought his supplies later in the week.
- The broom was purchased after the flashlight, but before the candy.
- The Mummy was not with Dracula on Friday, but saw the Witch at the movies with the Zombie.

Solution		
Dracula	Flashlight	Monday
Mummy	Candy	Friday
