

The students have decided to hold a rally for Earth Day. The student government is in charge of snacks. Each person will be picking up a snack for a table and able to visit the other tables during the rally. Figure out which person is getting which supply for which table at the rally.

	Jake	Bella	Ali	Mimi	Carrots	Cupcakes	Pretzels	Grapes	Table 1	Table 2	Table 3	Table 4
Jake												
Bella												
Ali												
Mimi												

Table 1								
Table 2								
Table 3								
Table 4								

Carrots				
Cupcakes				
Pretzels				
Grapes				

1. The person who got the pretzels was not Jake.
2. Bella was at either Table 3 Table 4.
3. The person that got the carrots was with Jake when he visited Table 3.
4. The cupcakes were purchased for Table 4
5. Ali was busy and didn't get to stop at Table 3 and Table 2.
6. Jake did not go out on Table 3
7. The person that got the cupcakes is not at Table 1 or Table 2.
8. Ali already did carrots at the last event, so he didn't need to pick up carrots.
9. Bella was not with Jake at Table 3, but saw Ali at another table with Mimi.
10. Mimi was able to go to with Ali to Table 1 because was assigned a different table.
11. The carrots were purchased after the grapes, but before the cupcakes.

Solution		
Dracula	Flashlight	Monday
Mummy	Candy	Friday
Witch	Pumpkin	Saturday
Zombie	Broom	Thursday
